AVAILABILITY LIST

This is our current availability list for mainly 9cm pots, this is where you will find our current prices. Please note prices are subject to VAT and a delivery charge. Individual labels are also available upon request at an extra cost.

If suitable, please use this list as an order form to place your order. We would prefer you to order from regularly updated lists rather than the catalogue as these regularly updated lists show our current availability. Our 2017-2019 catalogue is issued for a good reference purpose only. Please refer to our catalogue for our Terms and Conditions

Please note we are moving towards supplying our 9cm pots in trays of 18 rather than our normal trays of 20. Where possible please could you ideally order 9cm size in multiples of 9. Open Ground size could be ordered in any quantity.

9cm = 9cm sized pot

Please see our second list for availability of our full Larger Sized pots range.

PLEASE NOTE: Those in red are offered as limited quantities only.
